

A note from the President:

To: The Association, Board of Directors, past members, Trinity Church, Village neighbors and guests
From: Sheree Landerman, Outgoing President, Tariffville Village Association

First I would like to congratulate the incoming slate of officers and wish them an amazing 2025. There is no doubt it will be a banner year.

This is the first time in a decade that I am unable to attend the annual meeting. It is truly a disappointment for me. However, I have been blessed to be part of the Tariffville Community for four decades now. I am always impressed at how the residents of the Village come together for activities and causes to make our neighborhood better for all of us. As Secretary, Treasurer, and President it has been a pleasure to help be a voice for our community at Town events and meetings. I plan to continue to work with the Neighborhood plan, business alliance, 200th Anniversary and more. Right now I am wintering (recovering) and the hope is to rebound in the Spring. I appreciate all the support I have had from you during the past years and want you all to know how appreciative I am and how proud I am of what we have accomplished together.

Hope to see you all soon.
Sincerely,

Sheree Landerman-Jablonowski
